### Values, Vision and Strategy for Southfield Primary School – Parent Meeting

I take great pleasure in inviting you to our next parent information evening at which I will share our new whole school values, vision and strategy for the next 5 years with you. We have some very exciting developments for the future of Southfield and I'd like the chance to be able to share those with you. The meeting take place on Tuesday 31<sup>st</sup> March (assuming we are open a usual) and will start at 6.30pm, lasting between 30 and 40 minutes.

### Mr Marriott Update

Unfortunately, due to circumstances beyond our own control, we have said goodbye to Mr Marriott today and wish him luck in his new full time position. We have secured the services of Mr Gower, who is another one of our regular supply teachers. He will be with us until at least Easter in Year 2 covering for Miss Jarvis.

### Coronavirus Update

The oldest child in your family received a copy of our comprehensive risk assessment and our plan for providing learning in the event we close for a prolonged period of time today. I know they are lengthy documents but please take time to read through the documents and if you have any questions, please get in touch via the usual channels. To reiterate, it's business as usual until we are directed otherwise.

### Nuts in School

Because we have a number of children throughout school who have severe nut allergies, we have a complete ban on all nuts in school! This includes things like coconut that can be found in bounty bars, peanut M&Ms, as well as other confectionary that contains nuts. If we see children with nuts or food that contains nuts we will have remove it because of the severity of the allergies of the children who suffer. Thank you for your cooperation.

Upcoming diary dates		Thought for the day...
