| Friday | 17.1.2020 | 8am-9am 3.30pm-6pm | Breakfast Club After school club |

Happy New Year!

January has arrived at SPS and we have launched our new curriculum. As part of their 'Tomorrow's World' topic Year 6 will regularly be posting photos from around the school on to the Class Dojo school story page; keep a look out for the updates.

Parents Evening

A reminder that next week is our first round of parent's evenings. If you have not yet made an appointment, please see the email sent to you before the Christmas holidays.

New School Website

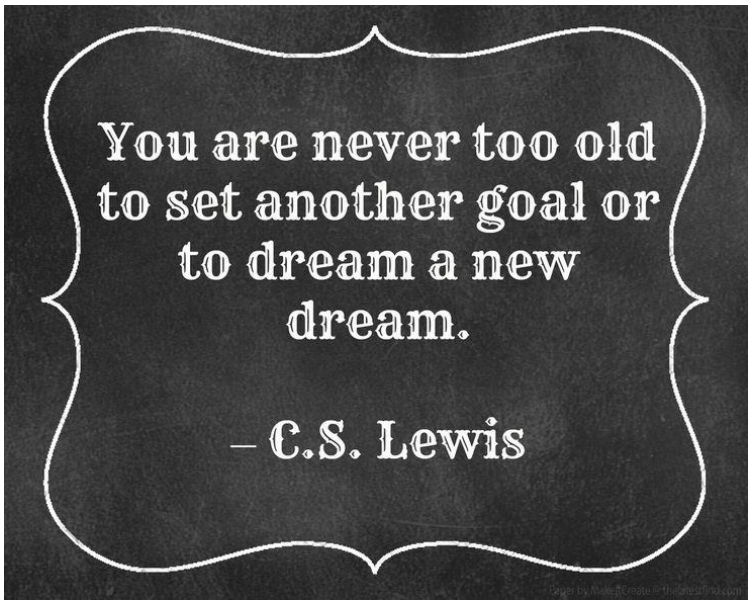

As the new school website is all but finished, I will no longer be updating the old one. I am aiming to launch the new site on Friday 24 January.

Ofsted Parents Meeting

Dr Kay and I would like to invite you to the next Ofsted parent's information meeting which will take place at 6pm on Monday 27 January in the hall. We will give you an update about what was achieved last term and share the plans for the coming term. We hope to see lots of you there.

Head Lice

Head lice are already on the march! I would like to remind everyone about the need to regularly check and treat your children's hair so that we can finally get rid of the little blighters!

| SPS Achievements this week | |
| <p>Work of the Week</p> <p>Nursery - Nursery have had a fantastic start back this week! We want to say a big well done and thank you to all our existing children who have given our newer children such a warm and friendly welcome. We have seen them show such care in making sure our new children have someone to sit next to and to play with, and they have helped them to get to know our routines! Also, a big well done to all our new children who have enjoyed settling in, it has been so lovely to see all their happy faces as they get to know us all and watching them join in the fun as we learn!</p> <p>Reception – Shelby - For excellent work on doubling and halving in maths</p> <p>Year 1 - Ellie - for persevering in phonics and working really hard to apply phonics in her writing</p> <p>Year 2 – Joseph D - for his attitude to maths this week. He has applied himself fully and worked really hard in our new topic</p> <p>Year 3 – Connor - for showing persistence and working hard with his partner to story map the journey of a pebble.</p> <p>Year 4 – Kaden - for his wonderful input in Maths lessons about equivalent fractions</p> <p>Year 5 – Malia – for explaining her thought processes to the class very clearly.</p> <p>Year 6 – Francesca – for settling well into year 6 and making valuable contribution to class discussions</p> | |
