School Photos – Friday 15 October 2021

I am very pleased to say that after a gap due to COVID-19, the school photographer will be in school this coming Friday 15th October. We will be taking individual portraits and portraits of siblings together during the morning. Whole class photos will happen later in the year. The photographer will be in school during the morning. If you are a parent of a nursery aged child who is not due to be in school on Friday but you would like a photo, please contact the office and we can let you know what time the nursery photos will be.

Thank you from Mr Fox

A huge well done to Mr Fox! In shade over 4 hours he managed to complete the London marathon and still be able to walk at work on Monday morning. Well done, Mr Fox! He has asked me to pass on his thanks to everyone who donated to his cause.

Child Data Forms

We still missing a handful of child data forms. These forms are very important as they ensure we have up to date emergency contact information. If you have not yet returned them, please do so a matter of urgency!

Parents Evening – November 8th, 9th and 10th

We will be shortly sending out our parents evening booking form for our upcoming November round of parents evening. Please keep a look out for more information shortly.

Headlice

We thought we had seen the last of them a couple of weeks ago but like any little determined bug they have returned, again! I politely ask that you check your child's hair carefully and treat accordingly. If we all look and treat then we may actually be able to get rid of them this time!
