Parents Evening – March 14th and 15th

You should have received your confirmation slip (they all went home on various days this week) for your parents evening. If you have not, then please speak directly to your child's class teacher because if you haven't got a confirmation slip, you did not book an appointment. Your child's class teacher should be able to accommodate you but you will need to speak to them directly first.

As with all of our virtual parent evenings, a link to the meeting along with joining instructions will be sent on the morning of the meeting. We look forward to meeting you all next week.

End of the day timings

This is just a reminder that the end of the school day timings are slightly different depending on which year group your child is in. The timings for the different year groups are below: -

Nursery – 3pm

Reception, year 1 and 2 – 3.20pm

Year 3 – year 6 – 3.30pm

If your child is in the younger years of the school can I please ask that you collect them on time. Some of my colleagues (and I include myself in this) often have to wait for more than 10 minutes or are late for meetings we have booked because parents arrive closer to 3.30pm to collect children in reception, year 1 and year 2.

On this note, I have reminded my colleagues in Key Stage 2 that school finishes at 3.30pm and children must be let out of school on time. I know lots of children are often busy with various clubs or appointments after school so being punctual at the end of the day is important. We will make sure that all the children are free to go at 3.30pm if they are in KS2.
