#### **Year 4 Residential Trip to Hill End – parent information evening**

I understand that a few of you were unable to access the recent online meeting I hosted about the upcoming residential. I am sorry about this, there must have been some technical gremlins in the system somewhere because the meeting also failed to record.

As a result, I will host an in-person meeting straight after school next Friday 12<sup>th</sup> May in year 4's classroom (this is the only time in my calendar during the next two weeks that I can host a meeting with you). I will share the same messages and information that were shared during the online meeting so if you were able to access the online meeting, there won't be any need to attend this one. The meeting will last about 40 minutes and will begin at 3.40pm. Your year 4 children are invited to attend if they wish. I look forward to seeing you there.

#### **Year 4 and Year 6 Residential Medical Forms**

A reminder that if you haven't yet completed the medical form for either the year 4 or year 6 residential trip, please do so as soon as possible and return it to the office.

#### **Nursery and Reception trip to Woburn**

The children are very excited about their upcoming trip Woburn safari park. Just a reminder that if you haven't yet completed the permission form or made the payments for this trip, please do so. The trip is only a couple of weeks away and we'd really like to have all the paperwork completed by the end of next week.

#### **Summer weather**

It finally feels like summer is just around the corner at last (despite the torrent of rain earlier in the week). With the summer term now in full flow swing and the children enjoying the sunshine at playtime and lunchtime, I'd like you remind you about the importance of sending them to school with appropriate equipment to protect them from the sun. A sun hat is a must on sunny days, a water bottle that the children can refill throughout the day is a must; I have been stressing the importance of drinking lots of water to the children I've taught this week. We also ask that if you

want to apply to sun cream to the children, please do this at home before they come to school; we're not allowed to apply sun cream to the children in school.
