### Jubilee celebrations

It has been wonderful listening to the children tell me about how they celebrated the Platinum Jubilee, hearing about their parties and get togethers during the 4-day bank holiday weekend has been a fantastic way to start the term. As you will know the government added a special 'one off' bank holiday to celebrate the Queen's milestone. The extra bank holiday fell in half term and the Department for Education instructed schools that they could place it anywhere in their school calendar. In consultation with Magdalen, we have chosen to make use of this additional bank holiday on Friday 22 July. This means that both Southfield and Magdalen will be closed on that day; our academic year will therefore finish at the end of the day on Thursday 21 July.

### Upcoming Trips

Just a reminder for various year groups about the upcoming trips we have planned and when payments are due:-

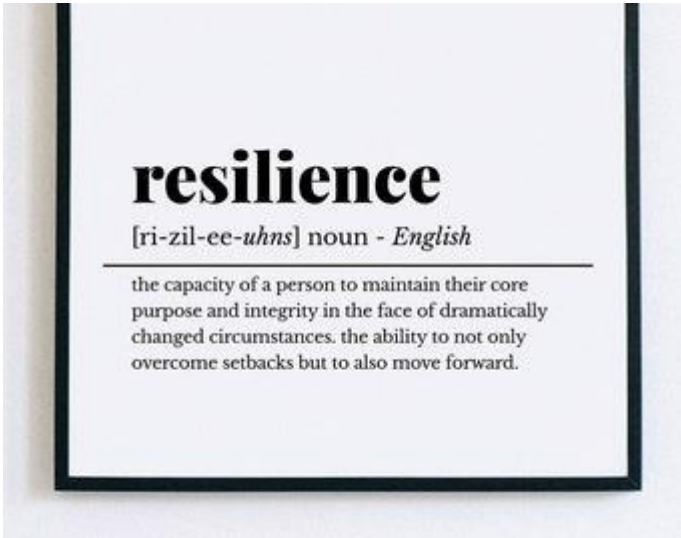

**Year 6 – London – Thursday 16<sup>th</sup> June** – Mr Elliot has completed the final risk assessment for this trip and we are very much looking forward to heading to the capital next week. There are still some outstanding payments for this trip. Please ensure you have contributed as soon as possible and definitely before Thursday.

**Year 5 – National Space Centre – Tuesday 5<sup>th</sup> July** – all payments were due to today. If you haven't yet contributed, please do so as soon as possible.

**Year 1 and 2 – The Cotswold Wildlife Park – Thursday 14<sup>th</sup> July** – Contributions for this trip are due by 17<sup>th</sup> June.

These trips are all planned as additional 'extras' to the curriculum the children have been studying and to round of their studies in particular units of work. While the contributions from parents are voluntary for these trips, without sufficient contributions to cover the costs, we will need to cancel them or take the money from other budget areas to cover the costs. If this is the case, it means we will be taking money from things like our curriculum resources

budget, buildings maintenance budget or staff training budget. We do really appreciate your contributions because without them, we simply wouldn't be able to offer the wide range of trips we do. Thank you!
