### Woodford Halse Cross Country Event – year 3 to 6

I am very grateful for all of the Woodford Halse Cross-Country event responses that I have had this week. The deadline for reply slips back to me on Monday morning. Once the deadline has passed I will send final details to the 32 children who returned their replay slip first. If you would like to help out with the trip, please do get in touch via the usual channels.

### Sports Day – Thursday 30 June

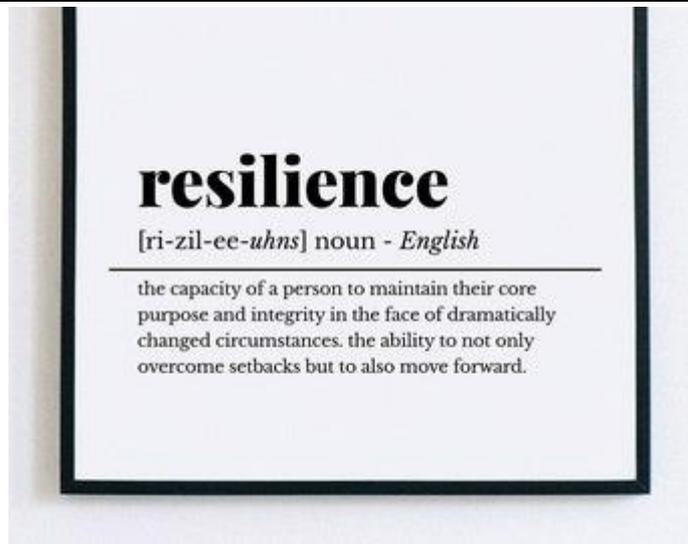

While Sports Day has happened during the last couple of years, it has taken place ‘behind closed doors’. I am pleased to say that this years’ Sports Day will take place on Thursday 30 June and we, cautiously, invite parents to attend. Our children in Key Stage 2 (year 3 -6) will complete their activities in the morning and our children in reception and KS1 will complete their activities during the afternoon. During the lunch break, we will host a family picnic where parents can join their children for a picnic lunch on the field.

I say ‘cautiously’ invite because COVID-19 is still here and nationally case numbers are rising again. I politely ask that if any family member who would like attend Sports Day has any of the symptoms associated with COVID-19 on the day then please do not attend.

Upcoming diary dates

Thought for the day...

**22.6.22** – Woodford Halse Cross Country Event – details to follow on Monday  
**27.6.22 – 30.6.22** – Year 5 bikeability training  
**4.7.22 – 7.7.22** – year 6 transition week to Magdalen  
**15.7.22** – End of Year reports to go home

### FOSS Updates

No updates this week – exciting news coming next week!

### SPS Achievements this week

#### Ready Respectful Safe – going above and beyond our high expectations

**Pre-School** – **Dora** for showing a real readiness to learn. She has come to the carpet enthusiastically this week for our focus group. She has sat beautifully and been engaged throughout the group and has tried hard with what we have been doing and **Olivia** for showing real determination to conquer the monkey bars. She came into school this week saying she was going to try and do them and by the end of the week she has got from one end right to the other end and has demonstrated safe landing back on the ground at the end!

**Reception** – This week in Reception **Beverly** has come back bright and ready to learn and has shown really good listening. Well done, Beverly!

**Year 1 and 2** – **Bradley** - This week Bradley has been a really kind and helpful member of the class. We have had a new person start in Year 1 and Bradley has helped to show him around and helped him to feel settled in our class. Well done, Bradley!

**Year 3** – **Percy** - For being ready and keen to learn and **Kyle S** - For great focus and working hard in all lessons

**Year 4** – **Georgina** - for using interesting and ambitious vocabulary in her narrative writing about "The Ridge". Her written work is a wonderful example of knowledge and imagination.

**Year 5** – **Marley** – for returning to school following half term with much better focus and application in lessons! Good job, Marley, keep it up!

**Year 6** – **Abby M** - Always being helpful, polite, and an excellent influence on her peers!

With best wishes,  
Matt Green  
Head Teacher
