Sports Day

I absolutely appreciate that postponing Sports Day will have caused some inconvenience to you this week, but I want to say 'thank you' for understanding. As it turned out, the weather during the latter part of the morning and afternoon was pretty dreadful.

As mentioned, the new date for Sports Day will be Tuesday 12th July with the back up day being Wednesday 13th July.

No Cross-Country Club on Tuesday

Because year 5 will be out all day on a school trip and because year 6 are not here as its transition week, there is no after school cross-country running club on Tuesday.

FOSS Disco

It seems like forever ago that we were able to host a school disco but I am very pleased to say that we can host them again! DJ Bernie will be setting up his disco here on Thursday evening with FOSS providing the refreshments, make sure you bring some pocket money to spend on refreshments. All the details about timings and prices are included on the FOSS Disco flyer that accompanied the email with this newsletter.

Staffing for September

I have very nearly completed the staffing plan for September and will share the final plan with you all next week. Our 'moving up afternoon', a chance for your children to meet their new teacher, will take on the afternoon of Tuesday 19th July.

SPS Achievements this week	
<p>Ready Respectful Safe – going above and beyond our high expectations</p> <p>Pre-School – We have all been learning about the season of summer, consequently, some of our learning groups have been outside. Janaya and Louie have really enjoyed learning in a different environment. Louie even discovered a toad in its burrow. “It’s summer, it’s not hibernating anymore!”</p> <p>Reception – In Reception this week we have noticed how Jeresa is always so respectful and polite to everyone, remembers her manners and is consistently ready to learn. Well done!</p> <p>Year 1 and 2 – A big thank you this week to Chloe G, Bentley, Scania and Molly for showing real respect for our school environment. These 4 children have been fantastic at keeping our Key Stage One area tidy. Without any prompting if they have seen rubbish on the floor they have picked it up. If they have seen a part of KS1 that needs a tidy they have sorted it without being asked. Well Done Chloe, Bentley, Scania and Molly</p> <p>Year 3 – Adam- For always showing that he's ready, and very keen to learn and Jacob- For excellent work in Reading and R.E</p> <p>Year 4 – Orlah, Elijah, Anna and Eddie for their amazing research findings on the history of River Thames. They have looked at a range of sources and included key words and phrases in their writing</p> <p>Year 5 – Ryan – for his commitment, effort and going that extra mile in all lessons this week</p> <p>Year 6 – Ryan - Excellent artwork, and all round contribution this week! Excellent work</p>	

With best wishes,
Matt Green
