### A Marathon Effort from Mrs De Frates

We all know by now that Mrs De Frates is a very keen runner. Her latest challenge sees her taking on the London Marathon in a couple weeks. She has been training hard for the past few months and is all set for the race. She is running the marathon in aid of the Motor Neurone Disease Association (MNDA), a charity close to her heart who have provided her and her family immense support since her mother was diagnosed with MND in December 2018. You can find out more about Mrs De Frates' story by visiting her fund-raising page using the link below. While you're there, throw in a couple of pounds (or whatever you can afford) for her fundraising efforts. Mrs De Frates is trying to raise £3000 and needs our help to beat that target.

From all of us in the Southfield community, good luck Mrs De Frates!

### Data forms

Thank you to vast majority of you for returning your data forms so promptly. We still have a few left to be returned; please get them back to use as soon as possible. We do need to have up to date information.

### Uniform

I mentioned in last weeks' bulletin that we have a mini-mountain of lost property already. The vast majority of this is because it is unnamed. Can I politely ask that **ALL** uniform is named so it can be returned to its owner promptly; thank you!

## Panto responses

We are very quickly heading towards autumn and winter. This means panto season. Thank you to those folks who already returned their panto responses. If you haven't yet done so, please get them back to us by the dates stated on the letter. Thank you.

## Headlice

We are only three weeks into term but those pesky headlice are on the march again. I know from personal experience of my daughter over the summer how hard and time consuming it can be to get rid them, but I politely ask that you check your child's hair and treat accordingly. You can find out more about them here

We'll only get rid of them if everyone checks and treats appropriately. Thank you!
